# 4. Kursus tidak perlu dihabiskan dalam satu sesi pembelajaran dan boleh disambung mengikut kelapangan masa

The screenshot displays the user interface of an online learning platform. At the top left, the logo of Institut Tadbiran Awam Negara (INTAN) is visible. A search bar with the placeholder text "What would you like to learn today?" is located at the top center. On the top right, there is a "My Profi" link. The main content area is titled "Home" and features a course card for "Agile Methodologies". The course card includes a "Like" button with a count of 591, a "Take Test" button, and a "Score a minimum of 70% on the test to complete the Course" message. Below the course title, there is a "COMPLETION STATUS" progress bar and an "Earn a Badge" button. The course card is divided into three tabs: "Content", "Overview", and "Resources". The "Content" tab is active, showing a list of video lessons. The first lesson, "Agile Software Development and the Agil...", is currently playing. Other lessons include "The Twelve Principles of the Agile Manife...", "The Whole Team Approach", "Early and Frequent Feedback", and another "NOT STARTED" lesson. A video player is embedded in the main content area, showing the title "Agile Software Development and the Agile Manifesto" and a "Hala Saleh" button. The video player controls at the bottom indicate the video is at 00:07 of a 05:06 duration.
