Malaysia, Singapore Civil Service Officials Come Together For Closer Exchange

SINGAPORE, Sept. 18 (Bernama) -- Officials from the civil services of Singapore and Malaysia are taking part in the 5th Senior Executive Development Programme (SEDP) here which started on Sept 12 and ends on Sept 23.

Jointly organised by the Singapore Civil Service College (CSC) and the Malaysia National Institute of Public Administration (INTAN), the programme provides a key platform for closer exchange between the two services.

While in Singapore, participants visited various Ministries and Agencies including the Central Community Development Centre to learn more about the challenges of public policy formulation and implementation, said CSC in a statement here Sunday.

They also had dialogues with senior Singapore public sector leaders on leadership issues and future challenges facing public officers.

Woven into the programme were also elements that facilitated interaction between participants.

The participants will proceed to Malaysia for the second leg of the programme tomorrow. Programme highlights for the second leg include visits to various Malaysian Ministries and Agencies.

Participants will also learn more about the various development initiatives implemented by the Malaysian government and engage in dialogues with Malaysian public sector leaders in Kuala Lumpur and Melaka.
