

CUSTOMISED TRAINING PROGRAMMES FOR INTERNATIONAL GOVERNMENT AGENCIES

By Corporate and International Unit

INTAN GOES BEYOND

With over 65 years since establishment, INTAN has achieved astounding success in developing a competent public sector workforce through quality training. Apart from meeting local demand, INTAN goes beyond, conducting various international courses as well as training and development for foreign delegates.

INTAN provides customised training programmes exclusively for government agencies across the globe to suit the learning and development requirements of various levels of management groups and professionals.

For more information, please email us at international@intanbk.intan.my

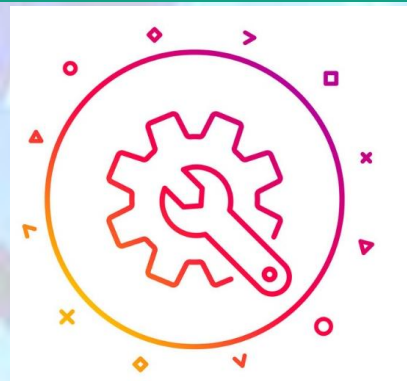

CUSTOMISED PROGRAMMES

We provide **tailor-made training programme**, exclusively for foreign delegates from international government agencies

ENGAGE. EXPERIENCE. ENRICH

Take training to the next level. Get connected with greater networking, discover beyond-classroom learning experiences and enhance the values and qualities in the civil service.

We **design and deliver tailor-made training** programme in **10 training fields**, to meet the learning and development requirements of various levels of management groups and professionals around the world.

LEARNING FROM MALAYSIA'S EXPERIENCE

Our customized training programme revolves around the concept of “**Malaysia's Experiences**” and **sharing of knowledge, experiences and best practices** in Malaysia's government / public sector delivery, in which the visiting cohort of participants can apply the learning outcomes to meet their own responsibilities while forging new networking.

KEY FEATURES OF OUR CUSTOMISED PROGRAMMES:

- ☒ Sharing of knowledge, experiences and best practices
- ☒ Customer Centric
- ☒ Mix method - lectures, field visits, case studies, etc.
- ☒ Upgrading of professional skills

CUSTOMISED PROGRAMMES

We use these four steps in designing the best programme for our clients

THE FOUR-STEP APPROACH

Diagnose

Engagement sessions with client and prospects to get an in-depth understanding for a comprehensive Learning Needs Analysis.

Design

Content development are co-designed with INTAN relevant Centre's

Deliver

Delivery as experiential journey, rather than content-based.

Debrief

Post programme evaluation
